MEMORANDUM FOR: [ ] Executive Assistant to the DDS

SUBJECT : Material for Support Bulletin-[ ]

25X1A

In accordance with our recent conversations, there is attached a write-up of the recent [ ] litigation which is suggested for inclusion in the Support Bulletin. As you know, one of the purposes in going ahead with the litigation was the thought that it might have a salutary effect elsewhere in the Agency if it were generally known that the Agency will insist on collecting debts due it, even to the point of undertaking litigation.
